

Memories on a Bottle

Brick fundraisers, or better known as "buy a brick", is a way for an individual to leave a lasting impression while earning considerable revenue for the organization sponsoring the event. Depending on the event, bricks are normally retailed between \$35.00 to \$250.00.

Bricks are everywhere, why not use them to create revenue. Locations such as: Educational facilities from elementary to Universities, Courtyards, Stadiums, churches, flagpoles, Museums and walkways are areas that can benefit from brick fundraisers.

Why Memories on a bottle

- * We engrave our bricks 1/8 to 1/4 of an inch deep.
- * We flash blast our bricks to give a smoother finish.
- * Only the very best 4" x 8" bricks are used.
- * No set-up fees.
- * Our second to none, 8-quality control stations.
- * Enamel paint.
- * 3 lines, 16 characters per a line. Most companies charge by the line.
- * Our price.

Price

We do not believe in charging by the line or letter. Our pricing includes 3 lines with 16 characters per a line. Bricks are an additional \$1.00 ea. Engraved logo's and sport figures are extra.

Quantity	Price
50-4999	\$12.00
Over 5000	\$10.00

Generating more revenue

Most people would like an extra brick for their home to show they participated in a fund raising event. Why not offer a duplicate. For instance, if your selling the donor brick for \$50.00 why not offer a duplicate for \$25.00. Extra revenue with little work.
